

# Nova-One Part Numbers

Nova-One General Chemistry Kits are interchangeable with those produced by Abbott.

For example, Abbott's P/N 07P0401 is the same kit as Nova-One P/N G14026-100. Corresponding part numbers are shown below. Keep this list handy for when you need to order Nova-One products.

**Buy from the source you trust!**

ABBOTT P/N =	NOVA-ONE P/N
07P0401	= <b>ALPC G14026-100</b> PICCOLO, NOD, GENERAL CHEMISTRY CONTROL WITH LEVEL 1 AND 2 CONTROLS SET/EACH REFER
